

QUESTIONNAIRE: Building Dispute Matters

Purpose

Your building dispute has been referred to the Tribunal by the Building Commissioner (Building and Energy). The standard practice of the Tribunal is to hold a directions hearing to establish how the dispute may most appropriately be dealt with by the Tribunal.

If you have any questions regarding how the Tribunal will deal with the dispute, you will have the opportunity to ask those questions at the directions hearing. Please **do not** contact the Tribunal regarding any questions prior to the directions hearing.

Please complete this questionnaire and return to the Tribunal and the other party prior to your directions hearing. This will ensure that your matter is handled as efficiently as possible.
